DESCRIPTION:

A short distance from the renowned lakeside promenade of Peschiera del Garda, in a convenient position with easy access to services and the main road networks, in a quiet residential area, we offer for sale a small, upcoming construction developed on two above-ground floors plus gardens, terraces and parking area. The building will be constructed in energy class A4 with excellent construction, systems and finishing materials. The project consists in the construction of four three-room flats, two complete with private garden and two with terrace. In this card we present a flat on the first floor consisting of a large and bright living area with direct access to the livable terrace, a hallway, a double bedroom, a bathroom with shower and a second spacious bedroom. A convenient covered parking space completes the property. Excellent solution as a first or second home and also as an investment. Large possibility of customisation and choice of finishes. We remain at your disposal for further information.
