 3  3  146,92 mq

DESCRIPTION:

Inserted in an elegant and exclusive context located in a privileged area overlooking the lake and the town of Desenzano del Garda, at a short distance from the town centre and all services, we propose a stupendous residential unit inserted in an exclusive building of just a few prestigious units. The prestigious residence will be characterised by modern design, care and attention to detail and construction details, including earthquake-proofing, the highest level and quality of finishing materials, state-of-the-art plumbing and electrical systems with basic domotics and various predispositions in order to guarantee the highest quality of living comfort, delivering customers a true class A construction. Within this beautiful residence, we offer this living solution on the first floor with a TOTAL LAKE VIEW and large outdoor living spaces with terrace and covered loggia, arranged in large living area and open kitchen overlooking the terrace and with a panoramic view of the lake, hallway leading to the sleeping area where we find the technical room and a first bathroom / storage room for the living area, master bedroom with walk-in wardrobe and private bathroom, 2 other bedrooms and 2 bathrooms, balconies from the rooms. A large underground garage for several cars belongs to the exclusive unit. Particular attention has been paid to the aesthetics and design of the complex, external LED lights, crystal parapets, photovoltaic system, lift, care of the common parts, all with the aim of minimising the relative management expenses and guaranteeing an exclusivity that will ensure the investment and value of the property over time. Pre- and post-sales assistance and the possibility of customising the interior layout of spaces and finishes according to high quality specifications so that you can create your own tailor-made home. State-of-the-art contemporary living solutions to guarantee maximum living comfort. Delivery scheduled for end of 2025. We remain at your disposal for further information, inspections or meetings at our studios for in-depth studies and general evaluations.
