DESCRIPTION:

Located in the hinterland of Garda, surrounded by nature and the green vineyards of Lugana DOC with open views of the surrounding countryside, in a quiet and hilly area a few kilometers from the lake and the town of Desenzano del Garda, near the Tower of San Martino della Battaglia and Golf Chervò, we propose large portion of a farmhouse of the '700 to be restored. The property consists of the main house with large vaulted porch where you can still see the remains of the frescoes, two other upper levels and the detached barn inside the private courtyard, convertible into residential. To embellish the context we find an ancient church next door. Possibility of annexing a further portion of the adjacent building. We remain at your disposal for further information.
